TO: Chief, SR  
 INFO: Chief, WE  
 FROM: Chief of Station, C *BJP*  
 SUBJECT: REDWOOD/AECOB  
           Arturs BROMBERGS  
 A.R.: FYI  
 REF: OSSW-6290, 11 September 1959

1. Göteborg telephone catalogues for recent years, including 1959, list Dr. Ilga BROMBERG as living in Lerum, a suburb of Göteborg, and give her the title of dentist. Her postal address is listed as Tunbacken. Her telephone number is 113 44 if dialed in Lerum; if dialed from another part of Sweden, one must first dial 0302 to get the Lerum exchange.
2. Stockholm believes it would be very insecure to use any source at our disposal for an investigation of Mrs. BROMBERG's present marital status or for any other information concerning her. Swedish [redacted]'s awareness of such cases as that involving her husband and the implications should we query [redacted], rule against using this channel for the desired information. As for independent sources, these would have to be in the Baltic field, another group which is certainly aware of the BROMBERG case. Even innocent-seeming questions about Ilga BROMBERG would almost certainly start rumors flying through the close-knit refugee groups, a situation which could do a great deal of harm to all concerned.
3. Our feeling is that, with the address given above, Headquarter's cleared lawyer should take it from here. Should you believe that more information is absolutely necessary, we would be willing to attempt to develop more through independent sources. This would be with the understanding, however, that such an investigation would probably arouse questions hard for Mrs. BROMBERG to answer and impossible for KUBARK to quell. It is suggested that a letter to Mrs. BROMBERG be addressed as follows:

Tandlakare Ilga Bromberg  
 Tunbacken  
 Lerum (Göteborg)  
 Sweden
